- 2.4. Failure or delay by Seller to enforce any provision of these terms will not be deemed to be a waiver of any of Seller's rights under these Terms.
- 2.5. Each provision of these Terms is separate and independent. If any provision or part of a provision is found by a court that has appropriate jurisdiction to be illegal, void or otherwise unenforceable, it shall to that extent be deemed not to form part of these Terms but the remainder of that provision and all of the other terms shall not be affected.

Article 4 SOFTWARE LICENSE

- 4.1. Nothing herein shall be deemed to create an obligation on the part of Seller to provide any support, upgrades or revisions to any Software other than pursuant to a separate written obligation to do so.
- 4.2. Buyer is granted a perpetual non-exclusive license to use the Software and related user documentation delivered by Seller, whether as part of any Product or separately. Buyer is not granted a license to use any other Software or documentation. This limited non-exclusive license allows Buyer to: 1) use the Software and user documentation for its internal business purposes and only on the products on which it is installed at the time of delivery or, if the Software is supplied separately, in connection with Products supplied by Seller and 2) make one copy of the Software in machine-readable form solely for backup purposes, provided that Buyer must reproduce on any such copy the copyright notice and any other proprietary legends that were on the original copy.
- 4.3. Buyer must obtain a supplementary license from Seller (which Seller may or may not grant in its sole discretion) before using the Software in connection with any other equipment or for any other purpose. Buyer shall have no other rights under this limited non-exclusive license. Seller will fix these errors for free unless the Software is not developed at a fixed price, in which case Seller will charge its usual rates. Seller can also charge its usual rates if the errors result from misuse or improper use by the Buyer or if the cause of the error cannot be attributed to Seller or if the errors could have been discovered while executing the agreed acceptance test. The obligation to fix errors expires if the Buyer makes changes or entrusts others to make changes to the Software without written consent of the Seller.
- 5.3. This limited warranty is given only to the original purchaser and does not extend to any subsequent purchaser or transferee of Seller's Products, Software and/or (development) Services. The original purchaser is not entitled to extend or transfer this warranty to any other party.
